

5-in-1 Cot Melamine White & Nordic Ice (Drawers)

Price: ~~R10,000.00~~ R7,999.00

Short Description

Code : B0276

Description

5-in-1 Cot – Code B0276

Size of Bed :

Length - 1930mm

Width - 930mm

Price is for the COT only - accessories sold separately.

The cot has three height levels and it is fixed sided.

The one rail of the cot has a solid side and the other rail has openings. See photos below.

This design allows the cot to convert into a desk.

If you want the back and the front rail to have openings, please specify this when you place your order. You will not be able to convert the cot into a desk.

The 5-in-1 cot converts into a single bed with one bed pedestals as well as a small bookcase AND a chest of drawers!

The cot can be used as a playpen or even convert into a desk! The undercot drawer is optional extra.

Our 5-in-1 cot converts into a single bed room set.

You will have a chest of drawers, a bed side cabinet and a small bookcase.

If you choose the option of the under-cot drawer, you will also have this extra storage space. The drawer runs on wheels.

The cot can be used as a play pen when you take the base of the cot out.
Or you can convert the cot into a desk!!

The back of the cot is solid in order to convert into a desk.

Otherwise, we can make it the same as the front rail and cut the openings, but then it cannot be used as a desk.

The base of the single bed, the base of the cot as well as the inside of the under-cot drawer is brown chipboard.

We can replace this with White Melamine Board - please enquire about price difference.

All our furniture is handmade in Kempton Park, JHB. Our standard manufacturing time is 4 – 6 weeks.

Please contact us on rene@babyboutiqueonline.co.za if you urgently need a product.

This item is made from Melamine, but we can also do it in Supawood.

The price will change.

Easy Breath Foam Mattress :

Size : 1120mm x 860mm

Holes punched both sides, allowing baby to sleep on any end of the mattress safely and comfortably.

It is non-allergenic and complies with SABS standards
